**WHY JHR?**

Junior High is an extremely formative age. How do you want your kid to turn out? What's most important? But you might ask, "Isn't JHR just a fun weekend that will hurt my kid's school work on a short weekend?"

We have seen JHR play a key role in bringing kids into a strong relationship with Jesus Christ. They learn to love God and love others. Devoting their lives to God gives them the strength to turn away from all sorts of negative peer pressure and live their lives within God's purpose.

Will your kid be sleepy when they return. Yes. But will it change them positively? We sure think so.

Send your kid to JHR and see God work.

"The best weekend of my year."
